SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Pursuant to 37 C.F.R. §1.97, Applicant hereby calls the Examiner's attention to the documents listed on the attached form, which documents may be material to the examination of this application. A copy of each of the documents is enclosed herewith for the Examiner's consideration.

No inference should be drawn that any method disclosed is equivalent to the subject invention. Also, the citation of the above-discussed documents is not to be construed as an assertion that more pertinent art could not possibly be in existence. Citation of any document herein is not to be construed as an admission that any subject matter disclosed in the document is

necessarily within the inventive field of endeavor, that any disclosure is necessarily prior in time to a particular date which may be relevant to the instant patent application, and/or that any disclosure is otherwise necessarily prior art with respect to the instant invention.

Applicant also respectfully reserves the right to later set forth how the instant invention is distinguished over the disclosure of any document or other art, including the disclosure of those documents discussed herein, that may be cited by the Examiner in rejecting a claim in the present patent application.

This information disclosure statement is being filed after the mailing of a final action. However, the cited information was either first called to Applicant's attention in an Office Action dated May 21, 2004 in related Application Number 10/015,355 filed on December 12, 2001 or in an Office Action dated June 4, 2004 in related Application Number 10/327,831 filed on December 23, 2002. Accordingly, pursuant to 37 C.F.R. § 1.97(e)(2), it is hereby stated: no item of this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the best knowledge of the person signing this certification after making a reasonable inquiry, no item of information contained in this information disclosure statement was known to any individual designated in 37 C.F.R. § 1.56(c) more than three months prior to filing of this information disclosure statement. Consequently, a check for the amount of

\$180.00, the fee required by 37 C.F.R. § 1.97(d)(2) for the filing of this information disclosure statement, is included with this statement. However, if it is determined that an additional fee is required, then authorization is hereby granted to charge that additional fee to Deposit Account No. 50-1039. (A duplicate of this document is enclosed herewith.)
